**Re: Three Rivers LOA v. Jefferson County, et al**  
**Jefferson County Circuit Court Case No. 16CV26227**

---

Dear Judge Hillman:

Three Rivers' directors and members acknowledge, as I do, the impact of the pandemic on the courts and the efforts by the judges and court staff to provide access to justice in Jefferson County consistent with orders issued by Justice Martha Walters.

Three Rivers directors have a duty to report to their 1,404 members regarding the status of this litigation. If the Court could update its Opinion Letter status, then the Three Rivers directors can inform its members who are all interested in the Court's ultimate decision. Thank you.

Respectfully yours,

Michael W. Peterkin
