

EH SPARKS REPORT TO MEMBERSHIP – OCTOBER 2019

On October 4th, Judge Hillman provided a written opinion to Closing Argument Rebuttals with the following action;

“In the interest of granting all parties the full opportunity to make their arguments to the court, the court will Deny the Motion to Strike and Grant DeMonte’s Motion in the Alternative to fill a Reply to Plaintiff’s Closing Rebuttal Argument. Defendant Jefferson County will also be offered the same opportunity for Reply Argument if they so desire.” Judge Hillman went on to state, “No further briefing or argument will be granted unless specifically requested by the court.”

Arguments need to be filed within 7 days of the Courts Order. Plaintiff has burden of the proof and therefore, will be granted 7 days thereafter for Supplemental Rebuttal Closing. The letter is attached. Updates will be posted when available.

RE: Three Rivers Landowners Association, a nonprofit corporation v. Jefferson County, et. al.
Jefferson County Circuit Court Case No. 16CV26227

Dear Counsel:

The Court is in receipt of a Motion to Strike Plaintiff's Rebuttal Closing Argument or in the Alternative Motion for Leave to File a Reply to Plaintiff's Closing Rebuttal Argument filed by Defendant Ralph De Monte, trustee of the De Monte Family Trust and Plaintiff's Opposition. I have had an opportunity to review the documents filed and the parties advised the Court they waived a right to a hearing on the Motion.

The Court was silent on the issue of rebuttal or reply briefing for written closing arguments. In the interests of granting all parties the full opportunity to make their arguments to the Court, the Court will Deny the Motion to Strike and Grant De Monte's Motion in the Alternative to file a Reply to Plaintiff's Closing Rebuttal Argument. Defendant Jefferson County will also be granted the same opportunity for Reply Argument if they so desire. Reply Arguments need to be filed within 7 days of the Court's Order. Plaintiff has the burden of proof and therefore, will be granted 7 days thereafter for Supplemental Rebuttal Closing. Mr. Hathaway is to submit an Order consistent with this Court's decision.

No further briefing or argument will be granted unless specifically requested by the Court.

Very truly yours,

Annette C. Hillman
Presiding Circuit Court Judge
